Course Status: Open Classes Only Term: Fall 2017
 Locations: 1 of 5 Selected Instruction Modes: 5 of 7 Selected

i Instructions: Add desired courses and breaks and click **Generate Schedules** button!

Courses **Breaks**

i Add the courses you wish to take for the upcoming term. **i** Add times during the day you do not wish to take classes.

Schedules

- To add courses, select the subject from the drop down menu, then select the course. If the Topics drop down menu pops up, select the appropriate topic or choose Non-Topic Sections. Do this for all of your courses, clicking Add Course after each course. When you are finished, click Done.

Add Course

By Subject | My Planner

Subject: PDS - Personal Development
 Course: 120 Becoming A Successful Student

PDS - Personal Development 120 - Becoming A Successful Student

This course is designed to teach students attitudes and skills valuable for college success. Topics may include: goal setting, time management, memory development, note taking, textbook reading strategies, test-taking strategies, library use, college resources, motivation, and stress management. Note: Involves extensive reading and homework assignments since intensive practice is required for mastery.

Courses

- i** **CMM - Communication 121** Fundamentals of Speech
Topic: Non-Topic Sections
- i** **ENG - English 121** English Composition I
Topic: Non-Topic Sections
- i** **MTH - Mathematics 142** General Education Statistics
- i** **PDS - Personal Development 120** Becoming A Successful Student
- i** **PSY - Psychology 121** Introduction to Psychology

- You can add breaks for days/times you do not wish to take classes. Add in breaks you need for your schedule, thinking of work or other commitments. Click Add Break when you are done entering your break(s).

Add New Break

 Breaks are times during the day that you do not wish to take classes.
