Safety

Safety on campus:

Although criminal activity is not frequent at CLC, it is good to remember these safety tips to keep both you and your belongings safe on campus:

- Always keep your books and personal property with you
- Lock your car when you leave it
- If you are walking on campus after dark, walk with a friend or classmate

Other safety tips:

- If you must walk in an area where there are not many people, walk quickly and with confidence. Look like you know where you are going
- Do not carry large amounts of money with you
- Do not leave personal belongs in your car where they can be seen. Put them under the seat or in the trunk
- If you are involved in a traffic accident, get the name, address, phone number and the name of the insurance company of the other person involved. Also, write down the car license number. Call the police to report the accident

The mission of the College of Lake County Police Department is to serve and protect the College community by deterring and preventing crime and enforcing all state and local laws, rules and regulations. In exercising its authority, the department will be guided by the highest standards of community service and policing, acting with integrity, tolerance, appreciation of diversity and respect for academic freedom. Dedicated to professionalism, the department will engage in continuous training and assessment of the quality of its services.

In case of an emergency:

- dial 9-1-1 from any campus or public phone
- dial 5555 from any Grayslake campus phone

Grayslake Campus

Because many crimes are preventable, CLC’s police department encourages students and employees to get involved in protecting themselves and their property, and to take responsibility for their own safety and for the safety of others. CLC Police help students and employees protect themselves in the following ways:

- Providing a proactive crime prevention/community policing program called Campus Watch. For more information, please download the Campus Watch program brochure.
- A 24-hour a day escort service by CLC Police personnel is available by request at the Grayslake campus.
Safety

- In-house campus phones located throughout the Grayslake campus provide access to the CLC Police dispatcher and the department's enhanced emergency phone system, which immediately traces each on-campus call to provide the location of a caller in need, even if the call is disconnected.
- After-hour access to college facilities is allowed only on an escorted, sign-in basis, by prior arrangement.
- An electronic alarm system monitors a comprehensive campus-wide network of panic alarm and intrusion detection devices.
- Emergency callboxes are located in student parking lots 2-5 and staff lots 1 and 7. Push red button to activate the system.
- Parking control and traffic enforcement and preparation of accident reports.
- Motorist assistance with minor problems such as jump starts or recovering keys locked in cars.

For Medical Emergency or Life-Threatening Event
