I-94 Form

The Form I-94, “Arrival/Departure Record,” is a Department of Homeland Security (DHS) document issued to nonimmigrant aliens at the time of lawful entry the United States at an air or sea port of entry. The Form I-94 is evidence of a nonimmigrant’s term of admission and used to document legal status in the United States, including length of stay and departure.

Customs and Border Protection (CBP) makes only an electronic I-94 available at: https://i94.cbp.dhs.gov/I94/#/home. You may visit this website to print your electronic I-94 number before applying for immigration or public benefits, such as a driver’s license or a Social Security number.

Since automation of the I-94 only affects air and sea arrivals a paper Form I-94 is still issued at the land border ports of entry like the Canada/US border.
