Visa Renewal Requirements

Your visa may expire while you are studying in the U.S. You will need a valid visa to re-enter the U.S. Visas may only be renewed at a U.S. embassy or consulate outside of the United States. It is best to renew your F-1 student visa in your home country. Be sure to allow plenty of time (two weeks at least) to renew your visa.

Below is a list of documents that are almost always required, some of which are best prepared before you depart the U.S. Please note that this list is not comprehensive. Commonly required documents include:

1. Form DS-160, the Online Nonimmigrant Visa Application
2. Application Fee – You should review the information on the website for the Consulate for the current fee amount and how it must be paid.
