

# JAPANESE CLASSES

## WHY JAPANESE?

The Japanese Are Innovators, Designers, and Creative Engineers in Cultural Exports  
Anime, sushi, Sony Playstation, Nintendo, Hello Kitty, Sudoku, karaoke, manga, martial arts, origami, and more

The Japanese are known for their love of design, precision, and mastery. Whether it is designing electronic gadgets or high-end fashion clothing, the Japanese value craftsmanship, quality, and pleasing the consumer.

Japanese pop culture has a universal appeal around the world. Some say Japan has reinvented the concept of “soft power,” and if something is created or made in Japan it is part of “Cool Japan.”
