<i>Other (done by your provider)</i>								
Physical Exam (CLC form)	N/A			X	X	X	X	X
Eye Exam (CLC form)	N/A							X

Massage Therapy Students – only requirement for program is Physical Exam form.

- 1 A TB 1-Step Test (\$8) is required each year after receiving the TB 2-Step or TSpot for all continuing Health Career Students until completion of program.
- 2 NA students need to show proof of 2 MMR vaccinations and 2 Varicella vaccinations OR get a doctor's note saying they had the disease(s). If they cannot show proof of vaccinations, positive titers will be accepted.
- 3 If titers show student is not immune, booster shot(s) are required. CLC Health Center's cost for the MMR is \$94, Tdap is \$40, and Hepatitis B is \$50 each. The Hepatitis B Vaccination is a set of three immunizations over a 6 month period. (CLC Health Center costs listed are as of 9/9/20 and are subject to change.) CLC Health Center does not offer the Varicella vaccination. If Hepatitis C titer is positive, the student will also pay for the additional mandatory test needed.
- 4 Flu shots required for fall and spring semester NUR110 sections.

Procedures listed can be done at the CLC Health Center (phone #847-543-2064) or offsite. If done offsite, completed documentation must be dropped off at the Health Center (C176), faxed to (847) 543-3064 or emailed to Healthcenter@clcillinois.edu. The Health Center does not accept insurance.
