Meeting Date: October 08, 2019

Purpose: The meeting was held with the Steering Committee to provide an update on the process, findings and solicit feedback.

Participants: College of Lake County Master Plan Steering Committee Members
Cotter Consulting
Holabird & Root

Progress Update

- Campus facility tours / space assessments continue since the last meeting:
  - Grayslake
  - Southlake
  - Lakeshore

- Meetings with Master Plan User Groups to garner input including:
  - Buildings and Grounds
  - Southlake
  - Educational Affairs
  - Police
  - Athletics
  - Information Technology
  - Student Life

- Data analysis continues
  - Using publicly available sources + our database
  - Requested data of CLC

User Group Feedback Update

The following themes have been expressed by the User Groups and were presented for further understanding, consideration and analysis by the Steering Committee. During the discussion, Steering Committee members offered initial comments. Further review by the Steering Committee is expected with their constituencies and additional feedback is to be provided at the next Steering Committee meeting.

Discussion Topics

Welcoming

- What is needed to make students, staff + community feel more welcome at CLC’s four campuses?

Inclusion

- What does inclusion mean to each group of constituents?
- What does it mean by and between campuses?
Collaboration

- How are you collaborating now?
- How do you want to collaborate in the future?

Themes

- Athletics + Health + Wellness + Student Life
- Collaboration in the Classroom (Furniture + Technology)
- Flexible Collaboration Areas Outside of the Classroom
- Enhanced Vocational Areas
- Experiential Wayfinding + Branding
- Infrastructure + Deferred Maintenance
- Lingering Technology + IT Customer Interface
- Conference Center
- Visible Learning + Living
- Student street at every campus
- Job placement at every campus
- Consistent experiences at every campus
- Informal gathering spaces for students, interface with faculty/staff
- Keep CLC competitive in the marketplace
- Find opportunities to attract + keep students on campus

Next Steps

- Feedback and input from Steering Committee of topics presented in Meeting 03
- Continue discussions with User Groups on future space needs
- Continue tours / space assessments
- Continue data gathering + analysis
