Nursing Assistant Requirements for Fall, 2020 Screening Deadline

Students who are enrolled in NUR110 in the Fall 2020 term will be allowed to meet the screening requirements for the Nursing AAS cohort starting in Spring, 2021. Admission to the program would be conditional, and contingent upon successful completion of NUR110 in the Fall term with a grade of "C" or better. In order to satisfy admission requirements, students must demonstrate proof of being certified on the Illinois Health Care Worker Registry no later than December 22nd, 2020.

Students who screen and are conditionally admitted but do not successfully pass NUR110 or are not showing as certified on the Illinois Health Care Worker Registry by December 22nd, 2020 will forfeit their seat in the program.

Please note that the aforementioned change is temporary and only applies to the cohort screening for the Spring, 2021 semester, and has been made in light of disruption of NUR 110 offerings in Summer, 2020.
