# SUPER-CHARGED SATURDAYS

## WHAT ARE SUPER-CHARGED SATURDAYS?

Super-charged Saturdays are eight-week blended courses created specifically for busy adults. Combining on-campus meetings with online coursework allows for convenience in planning studies around your work and family commitments, not the other way around. Course offerings are selected to focus on coursework progressing toward an Associate in Arts degree, getting you closer to graduation.

## WHAT IS BLENDED LEARNING?

Enjoy the benefits of both convenient online and traditional in-person learning environments. With a blended class, some of the instruction takes place on-campus during scheduled times on Saturdays and the rest occurs online.

## HOW DO YOU KNOW IF BLENDED CLASSES ARE RIGHT FOR YOU?

- Are you committed to investing time and effort into your coursework?
- Are you motivated to stay on task and complete work on time?
- Are you confident using technology?

If so, then Super-charged Saturdays may be a great option for you! Still deciding? Check out the online readiness resources and tools available at [www.clcillinois.edu/online](http://www.clcillinois.edu/online).
