Secondary Education

Associate in Arts
Plan 13AB
Business and Social Sciences Division,
Room T302, (847) 543-2047

The following courses are recommended for students who have not decided upon a specific four-year college or university. Once a transfer school is selected, students should meet with a Student Development Counselor or advisor to determine courses at CLC which will also meet the transfer requirements. If a specific course is not recommended, please select from the appropriate category outlined in the general education requirements for the Associate in Arts degree on pages 58-58.

Concentration/Electives
A secondary teaching credential requires a major at a 4 year college or university. Examples include but are not limited to:
English, Math, Biology, Chemistry, Physics, History, a Foreign Language, and Business.) Students planning to transfer should verify 4 year college requirements as they differ from college to college. Students interested in Music Education should consult the respective department at CLC.

Recommended Education Courses................................12
EDU 121 Introduction to Teaching ..............................3
EDU 124 Child Development for Educators .............3
EDU 222 Exceptional Children ....................................
EDU 223 Technology In The Classroom ......................3
EDU 224 Diversity in the Schools I/M .........................3
EDU 225 Educational Psychology ................................
EDU 242 Observation/Clinical Experience ..................1
EDU 299 Special Topics in Education .........................1-3

*EDU 224 – Diversity in the Schools is recommended for the Secondary Education Concentration/Elective to satisfy the I/M requirement.

**Many four year colleges require a foreign language. To fulfill the humanities requirement, a student must take a foreign language with a course number of 222. (This is an intermediate level foreign language class requiring several semesters of beginning level foreign language courses before the intermediate course can be taken.)

Any additional electives should be taken in a particular subject area that meets requirements for a secondary teaching credential and will transfer to a four year college of your choice. Consult the four year institution requirements for different majors that lead to a credential in secondary education.

A passing score on the Illinois Test of Academic Proficiency (formerly the Illinois Test of Basic Skills) or a current ACT plus Writing test with a score of 22 or higher and a writing score of 6 or higher is required for admission to a four-year college or university school of education. One of these tests should be taken by recent high school graduates after completing 15-30 credit hours of college work. Older students should take the test after completing 40-45 college credit hours. It is recommended that you take ENG 121 and MTH 121 before taking either of these tests.

For all those students wishing to obtain a teaching credential in the state of Illinois, a grade of C or above is compulsory for all coursework that is required for the teaching credential. This would include courses in your major, all education courses, and required general electives. (Effective 2012, Illinois State Board of Education)

For more information on recommended courses or program specific advising, contact the following faculty member or the Business and Social Sciences Division at (847) 543-2047.

Associate Degree Transfer Programs

- Choose elective courses with a + following the course number OR one of the following: ASI 121, CMM 127, ECO 225, EDU 224, ENG 263, 264, GXS 221, 299, HST 128, LAT 121, PDS 123, PHI 128, 129, PSY 229, SSI 121. This course can fulfill both the I/M requirement and a Social Science, Humanities, Fine Arts, or Elective requirement. A B.A. degree at many four-year colleges may require college level foreign language.

Area of Concentration/Elective Requirements-
23 credit hours
- Choose elective courses with a 1.1 (transfer course) PCS code that relate to your intended major. Students should choose electives only after consulting with an Advising Professional. The PCS code for each course is listed in the course descriptions starting on page 224 of this catalog. Up to six hours of courses with a 1.2 (career course) PCS code may be used as general electives in the degree. All 199 courses only after they have verified their transferability with their Advising Professional or the transfer institution. EDU 999 does not count toward this six-hour limit.
- Students may not receive credit towards degree for both CHM 140 and CHM 142, or both BIO 120 and BIO 140, or both ESC 123 and ESC 127.
- Students with credit for both MTH 122 and MTH 123 will not be given credit for MTH 144. Students may not receive credit towards degree for both (MTH 122 and MTH 144) or (MTH 123 and MTH 144).
- Please review lists of recommended courses for individual programs of study listed on pages 70-120 in this catalog.

Total A.A. Degree Requirements - 60 credit hours

Other Graduation Requirements
- Cumulative CLC GPA of 2.00 or higher
- Completion of at least 15 credit hours at CLC
- Petition to Graduate: The Petition to Graduate form must be submitted to the Welcome and One-Stop Center to have your degree processed. It can be found online at www.clcillinois.edu/petition. Contact Admissions for more information at (847) 543-2061.
