Welcome Lancers!

The CLC community is here for you, providing a range of on-campus, online, and hybrid student services and learning experiences. We are prepared to help you navigate your fall 2021 semester experience successfully. Our commitment to supporting every student to achieve their educational goals remains our greatest priority.

**Student Guide:** There are many great resources available to you at CLC. Please read this guide carefully so you know how to access the great support and resources you need to be successful in and out of the classroom. For example, you can learn where to go for tutoring help, as well as how to access emergency relief funds to help you financially if you need assistance.

**Updates:** Please check and read your student email every day so you are informed of any changes on campus or in remote learning and student services. In addition, be sure to routinely check the COVID-19 updates page on the website.

**Vax to School:** CLC is joining colleges and universities across the country to keep campuses safe this fall by encouraging students, faculty, and staff to be vaccinated. CLC students who provide proof of vaccination or who become vaccinated before December 17, 2021, are eligible to receive $100 through our vaccine incentive program. CLC is partnering with the Lake County Health Department to offer on-site vaccination clinics on the Grayslake Campus in August, September and October—watch your student email for dates and details.

**Health and Safety First:** CLC protocols are monitored weekly and updated as needed to align with state and county healthcare guidelines. We ask that you do your part to help keep our community safe: wear a mask, physically distance, wash your hands frequently, and stay home if you are feeling sick.

Together, as a CLC community, we are living our values of compassion and unity to get through this challenging time. We remain committed to making your experience positive and to offering all the resources you need. I encourage you to engage in your classes, reach out to classmates, and participate in campus activities to achieve a great student experience.

**You are welcome here. And we are here for you.**

Go, Lancers- let’s get learning! (And please remember to check and read your email!)

Dr. Lori Suddick, President, College of Lake County
Things to know before you go

✔ Wash your hands, wear a face mask, practice physical distancing, and stay home if you are feeling sick.

*If you have a medical condition that impedes your ability to wear a face mask for an extended time, please contact the Office for Students with Disabilities (OSD) at (847) 543-2474 or email OSD@clcillinois.edu to discuss possible accommodations and receive documentation.*

**Get the jab**

In partnership with the Lake County Health Department, College of Lake County encourages you and your family members to get vaccinated against COVID-19. You can get a free COVID-19 vaccine at a Lake County Health Department site. Many local pharmacies now offer walk-in services with no appointments necessary. Pfizer, Moderna, and Johnson & Johnson vaccines are currently used by Lake County vaccine providers. They are all safe and effective at preventing serious illness from COVID-19. [Find a vaccine](#).

CLC partnered with the White House to join the COVID-19 College Vaccine Challenge, a nationwide effort to get as many Americans as possible vaccinated and end the pandemic. CLC students can receive $100 checks if they share proof of their COVID-19 vaccination status before the end of fall semester.

COVID vaccinations are not required by College of Lake County.

**Don’t sweat this (COVID-19) test**

Free COVID-19 saliva tests are available for students and the community at the Grayslake Campus on Mondays and Thursdays from 8:30 a.m. to 3 p.m. Testing is conducted steps away at the University Center of Lake County, located at 1200 University Center Drive near the Washington Street entrance, in room 112.

This walk-in testing is free and open to the public, regardless of symptoms. Before you arrive, you must register for an account. To register, use the following agency code for CLC students: s0fkdepl-stu COVID testing is not required by CLC, unless you are a student athlete. [Get tested](#).

**Check yourself**

Complete a daily health and wellness check. If you have TWO or more of these symptoms, you should stay home:

1. Temperature of 100.4 (or greater) degrees Fahrenheit/38 degrees Celsius
2. Cough
3. Shortness of breath or difficulty breathing
4. Chills
5. Fatigue
6. Muscle and body aches
7. Headache
8. Sore throat
9. New loss of taste or smell
10. Congestion or runny nose
11. Nausea and/or vomiting
12. Diarrhea
13. Any other COVID-19 symptoms identified by the Centers for Disease Control (CDC) or Illinois Department of Public Health (IDPH)
Tell us if you're sick

For safety’s sake: First, stay home; second, contact your primary care provider; then, let us know.

If you are:

- Experiencing COVID-19 symptoms, or
- Have a positive COVID-19 test result, or
- Have had close contact with a person known to have COVID-19 symptoms,

You must call (847) 543-2064 or email COVID19Concerns@clcillinois.edu within 24 hours.

We will normally contact you within 12 hours to obtain information and provide guidance for next steps. While waiting for a response, you should not come to campus.

- You are required to notify your instructor of your absence.
- Refer to flowchart below for guidelines about returning to school if you are experiencing COVID-19 symptoms, have tested positive for COVID-19, or had close contact with someone who tested positive or is suspected of having COVID-19. These guidelines are subject to change.

**Definition of “close contact”:** For COVID-19, Centers for Disease Control (CDC) define a “close contact” as “any individual who was within 6 feet of an infected person for at least 15 minutes (consecutive or non-consecutive within a 24-hour period) starting from 2 days before illness onset (or, for asymptomatic patients, 2 days prior to positive specimen collection) until the time the patient is isolated.”

---

**Flowchart 1. Return to Campus/Work Flowchart Following a COVID-19 Related Absence**

---

**Robbins Schwartz**

Employees: The College’s procedure implementing this general guideline can be found on the CLC Employee Benefits portal under My Resources.

* Definition of “close contact”: For COVID-19, Centers for Disease Control (CDC) define a “close contact” as “any individual who was within 6 feet of an infected person for at least 15 minutes (consecutive or non-consecutive within a 24-hour period) starting from 2 days before illness onset (or, for asymptomatic patients, 2 days prior to positive specimen collection) until the time the patient is isolated.”
Keeping you safe on campus

• Watch your physical distancing. Maintain six feet from others whenever possible. Campus spaces have been configured to help individuals maintain six feet physical distancing.

• Wash your hands frequently using soap and hot water or use an alcohol-based hand sanitizer when soap and water are not available. Hand sanitizer stations are placed throughout campus.

• Wearing a mask is required while walking through any public or shared spaces, whether or not others are present, to contain the spread of airborne particles. Students can bring and use their own masks that fully cover their nose and mouth and meet appropriate professional standards for the learning environment.

• Bandannas and gaiters are not considered appropriate masks per CLC guidelines as they are not endorsed by the CDC.

WEAR YOUR FACE MASK CORRECTLY:

• Wash your hands before putting on your face mask

• Put medical mask over your nose and mouth. Secure it under your chin and press around bridge of your nose

• Put cloth mask over medical mask. Adjust to fit snugly against the sides of your face

• Make sure you can breathe easily

Lead by example: If you encounter a student who is not wearing a face mask, you may remind the student that the College requires all individuals to wear a face mask while on campus. Students who are non-compliant with the request to wear a face mask and do not have a documented accommodation may be referred to the Student Conduct Officer at (847) 543-2048 or studentdevelopment@clcillinois.edu. CLC employees and students can report concerns regarding repeated non-compliance by completing a Report an Incident form.

Keeping it clean

• CLC facilities staff frequently cleans and disinfects classrooms, restroom facilities and high-traffic touchpoints on campus.

• CLC follows CDC Guidance for Cleaning & Disinfecting.

• CLC has upgraded our HVAC filters to a higher efficiency, installed needlepoint bipolar ionization systems to purify the air, increased the exchange rate of air per hour, and frequently cleans air handler coils.
Once you receive your vaccine

If you have been exposed to COVID-19 and you have been fully vaccinated, you may be excluded from quarantine or isolation. The ultimate decision on the need for quarantine/isolation lies with the health professionals on the COVID Concerns Team. Spending time in quarantine and isolation helps mitigate spread and helps keep everyone safe and healthy.

An individual who can prove they are fully vaccinated AND meet the criteria below may be excluded from quarantine at the discretion of the health professionals on the COVID Concerns Team:

- Are fully vaccinated (i.e., ≥2 weeks following receipt of the second dose in a 2-dose series, or ≥2 weeks following receipt of one dose of a single-dose vaccine)
- Are within the CDC recommended time following receipt of full vaccination
- Have remained asymptomatic since the current COVID-19 exposure

If you do not meet all three of the above criteria, you should continue to follow current quarantine guidance after exposure to someone with suspected or confirmed COVID-19.

If needed, proof of vaccination may be sent by email (scanned copy or photo) via the COVID19Concerns@clcillinois.edu, by fax (847) 543-3064 or in-person.
Top 5 ways to stay connected

1. Check your student email at least once a day for important updates! It’s also easy to forward your CLC email to your personal email. You can set up forwarding from your CLC Gmail account or from Microsoft Office 365.

Canvas

Canvas is CLC’s online classroom. Faculty upload course materials in Canvas, and you will retrieve and submit assignments, participate in discussion groups, take tests and check grades.

You can access Canvas several ways:

• Using the Canvas link in the myCLC Student Portal
• Going directly to https://clcillinois.instructure.com
• Download the Canvas app.

Note: you may need to login with your myCLC credentials.

Visit www.clcillinois.edu/canvas for instruction videos and more information.

Zoom

CLC faculty and staff use Zoom, a video conference tool, for classes, meetings, and office hours.

To get started with Zoom, you’ll need:

• An internet connected computer, laptop, tablet or phone (ideally with a microphone)
• A meeting link or meeting ID number
• You might also want to use ear buds with a mic if you have them. This can help reduce background noise.

Next, you will need to:

• Click the Zoom link or visit https://clcillinois.zoom.us to use a meeting ID number
• Follow prompt to download the Zoom application if this is the first time you use Zoom. Download the Zoom application.
• Click the URL of the Zoom room again and launch the Zoom application from your browser.
• Learning with Zoom: A Student Guide

Office 365

You have free access to Microsoft Word, Excel, PowerPoint, Outlook, Access and OneNote. Go to http://portal.office.com and sign in with your CLC student email address and password.

Financial Aid Updates

Higher Education Emergency Relief Fund (HEERF)
To receive funds, College of Lake County students complete an online application describing the expenses incurred as a result of the disruption of campus operations during the COVID-19 crisis. College of Lake County will evaluate each student’s eligibility and review their need outlined in the application. Applications are accepted on a rolling basis until funds are exhausted. Each student might be eligible for up to $2,500 in emergency financial aid grants.

Tuition and Fees
We know college is expensive. CLC’s tuition and fees are significantly lower than a traditional four-year college or university and we offer more than $1.5 million in scholarships every year. A significant portion of the college budget is supported by funds from local taxpayers and the State of Illinois.
In-district- $125 per credit hour for Fall 2021
Out-of-district-$322 per credit hour for Fall 2021
Out-of-State and International Resident- $436 per credit hour for Fall 2021
Comprehensive Fee-$22 per credit hour for Fall 2021
Online Course Fee-$8 per credit hour for Fall 2021
For more information visit the tuition and fees webpage.

Financial Aid Information
Fill out the Free Application for Federal Student Aid (FAFSA) or the Alternate Application for Illinois Financial Aid!
• FAFSA-complete the application online.
• Alternative Application for Illinois Financial Aid-complete the alternative application online.
It’s a great way to get grants and scholarships to offset the cost of college. Don’t be afraid of the form! Financial Aid counselors are available to help you prepare the documents needed to complete your FAFSA so it’s quick and painless. Need help with your application? Email: fa.facoach@clcillinois.edu for assistance.
For news, updates and additional information about applying, receiving and maintaining your financial aid awards, please visit the Financial Aid Office website.
Students can access financial aid status information via myStudentCenter. Log in to myStudentCenter and click “View Financial Aid” in the Finances section on the main page. Next, select the aid year from the list of available years. If there are no awards pending, the application may still be under review.

Scholarships
To apply for scholarships, visit us online.
Financial Aid—Eligible Programs and Courses
In order to be eligible to receive financial aid, a student must be enrolled in and actively pursuing a degree or certificate in an eligible program of study. Visit us online for a list of eligible programs.

Payment Plans
If you can’t pay your tuition and fees up front, there are payment plan options so you can pay smaller amounts throughout the semester. Visit us online for payment options.

Drop for Non-Payment and Payment Deadlines
Students who do not make payment arrangements by their due date are subject to being dropped from all classes. Students who set up an installment payment plan, pay 40 percent or more of their balance due, or have a balance due of $500.00 or less will not be dropped for nonpayment. The dates for the “drop for nonpayment” is online.

Withdrawals and Refunds
Students are responsible for officially dropping classes they do not intend to complete. For additional information visit us online.

Student Employment, Internships and Apprenticeships
The Career and Job Placement Center manages multiple student employment, internships and apprenticeship programs available to all students. Information is available online.
We're Glad You're Here!

Registration Policy
CLC seriously requires that students may not register for a class after it has begun. The policy states the final day to enroll is midnight of the first day of the specific class. After that first day, late enrollment will be allowed only under extraordinary circumstances approved by the dean of the division for the class.

Withdrawal Policy
Withdrawal deadlines are provided to you on your class schedule and many faculty list these dates on the course syllabus. Please consult your class schedule for specific dates for your class. It is your responsibility to withdraw from a class that you no longer wish to attend.

Your transcript and the grade for the course may vary depending on the time at which you withdraw or request to withdraw from a course. If you are unsure of what to do, please speak with your instructor or contact an Academic Success Advisor.

Grades and Grade Points
Final letter grades are earned for each class, issued at the end of each semester and recorded on the student’s permanent academic record according to the schedule on the right:

For more information about incompletes, academic restrictions, academic appeals, or reinstatement, see College Policies in the catalog.

Academic Honors
Students who have earned a grade point average of 3.0 (B) or higher while enrolled in at least 6 semester hours of transfer or career courses during a semester are recognized by placement on the College Honor List for that semester.
Finish strong
If you need help with your graduation planning, contact (847) 543-2060.

Transcripts
You may request an official transcript of your CLC academic record online through myStudentCenter or by going to www.clcillinois.edu/transcripts. There is a $10 fee per CLC Official transcript request.

Keep it going!
Transfer to earn your bachelor’s degree
After earning your associate degree at CLC, you can transfer to any four-year college or university to complete your bachelor’s degree. The college engages in many transfer partnerships with four-year institutions that offer additional benefits when transferring, such as dual admission and scholarships. Don’t worry if your school of interest is not a formal transfer partner. While we do have a growing list of universities with guaranteed transfer admission agreements, you can apply your CLC credits anywhere.

**Mission:** College of Lake County is a comprehensive community college committed to equitable high-quality education, cultural enrichment and partnerships to advance the diverse communities it serves

**Vision:** College of Lake County is a leader in providing innovative education and workforce solutions.

**Values:** These values to be the cornerstone to fulfilling the college’s mission:
- Purpose
- Integrity
- Excellence
- Inclusion
- Unity
- Compassion

**Diversity:** The College of Lake County (CLC) is committed to strengthening the diverse communities we serve. We stand to create an environment that names, embraces, and learns from differences through all policies, practices, and values. We encourage expression of one’s own identity and foster an atmosphere where we learn from others. CLC is dedicated to meeting the needs of everyone in our community, especially those who have been historically underserved. We are committed to being intentional about having crucial conversations to continually develop cultural competence and humility. At CLC, we celebrate and promote diversity because we believe that everyone benefits from being a part of a global society.

**Equity:** The College of Lake County (CLC) is committed to being equity-minded in how it supports its students and employees. Also, CLC is dedicated to instilling the value of equity in each member of our community. At CLC, equity means providing a high-quality education and employment in a safe, welcoming, and inclusive environment while meeting the particular needs of each community and individual. This value is imparted by providing professional and educational opportunities to instill the value of equity within each CLC community member. To achieve this goal, CLC is committed to ensure that all policies, procedures, and processes are free of barriers and provide a seamless experience to all who come to CLC. This includes ensuring each student is provided the tools and support to empower them to achieve their academic, career, and personal goals, and that each employee has the tools and opportunities to provide excellent service, excel in their job, contribute to the CLC community, and progress in their professional development. CLC recognizes that equity is not resolved by using a one-size-fits-all approach. CLC is devoted to intentionally designing opportunities for students, faculty, staff and community members to succeed while supporting each person’s unique needs.

**Inclusion:** The College of Lake County (CLC) is inclusive of all members of our diverse college community. We are committed to providing an inclusive environment where students, faculty, and staff can do their best in all of their endeavors. This is reflected through our policies, practices, beliefs, and actions. Inclusiveness at CLC means that each person’s input is heard and valued. The College is intentional when creating its entire organizational structure to ensure that there is representation of the diverse community it serves. By seeking input from the community as a whole, especially from people who have been traditionally silenced or ignored, CLC creates meaningful inclusion, leading to college-wide decisions, outcomes, and actions.
