CNA RE-CERTIFICATION
Designed for those who have already completed the Certified Nurse Assistant course and who have successfully completed the Illinois Nurse Aide Examination, but who no longer are listed on the Illinois Nurse Aide Registry. Before registering for this course, you must complete the Online Re-certification Form with SIU Illinois Nurse Testing Aide. Please follow all instructions when submitting the form. If you are eligible for re-certification, they will send you a re-certification packet. The course will offer a review for the State Examination and provide re-certification of the manual skills. Students have two weeks after the last class session to complete the clinical portion of the course.

Health requirements: You must have a current 1-Step TB test prior to the first day of class.

Background Check and Fingerprinting Process: To participate, the IDPH Health Care Worker Registry must show "Eligible" work status with a FEE_APP criminal background check. If the Health Care Worker Registry already shows your work eligibility with a FEE_APP, you will need to complete a new Authorization and Disclosure form, but you will not be required to fingerprint again. If you do need to fingerprint, it will be required prior to the first day of class. For detailed course information go to www.clcillinois.edu/professional/nursing CEs. Please call our office for an information packet at (847)543-2990.

Note: Due to the process involved in offering this class, students will not be allowed to withdraw 7 business days prior to the first day of class and receive a refund unless they are found to be ineligible to take the class. It is scheduled as “drop by department consent” 7 business days prior to the start date.

Students should bring any CNA textbook they have to both class sessions.

PHARMACY TECHNICIAN TRAINING
You can begin your career in healthcare as a Pharmacy Technician. Pharmacy Technicians are in demand and job growth will continue to increase 12 percent by 2026. Technicians work in a variety of settings, that include pharmacies, hospitals, clinics, assisted living facilities, retail stores and mail-order pharmacies. They are responsible for receiving and filling prescriptions under the supervision of licensed pharmacists as well as performing duties such as maintaining patient profiles, answering phones and working the register. This program will provide you with the knowledge and skills for an entry level position and prepare you to pass the national certification exam required of all pharmacy technicians in the State of Illinois. Textbooks are required and are available for purchase in the bookstore. Course meets for 81 classroom hours and 24 online hours.

Program requirements: High school diploma or G.E.D, basic ninth and tenth grade math (algebra), proficiency in English (verbal and written communication skills), no prior criminal record, 18 years old (some exceptions), hand to eye coordination and finger agility.

This is a hybrid course that uses Blackboard.

Get on the Road to a Better Career!

Gain the knowledge and skills to prepare for and pass the State of Illinois issued Commercial Drivers License (CDL-A) exams.

Training provided by Eagle Training Services and Job Placement Assistance is provided!

For more information, visit www.clcillinois.edu/professional/truckdriver or call (847) 543-2990.

Learn more about Truck Driver Training by attending a FREE information session at 6 p.m. on Thursday, June 13 at the Grayslake campus, Room E119. Check out www.clcinfosessions.eventbrite.com for more information.

TRUCK DRIVER TRAINING (CDL)
This 160-hour basic training course will prepare students for a career as a commercial truck driver. It provides students with the knowledge and skills to prepare for the state-issued Commercial Drivers License (CDL) exams, including the permit test, pre-trip inspection test, skills tests and road tests. Students will learn CDL laws, use of controls, safe driving techniques and defensive driving. The course includes classroom instruction and behind-the-wheel training. Students will take practice tests designed to prepare them for the CDL permit exam.

Prerequisites: Students must have a valid Illinois Drivers License Class "D" or above. They may not have committed a serious traffic violation in a commercial motor vehicle within the past 12 months. Students must provide a copy of their Motor Vehicle Report (MVR) from the Secretary of State's office prior to enrollment. Students must not have any physical limitation that affects their driving ability. Students currently on bond or parole are not eligible. Because all CDL testing is conducted in English, students must be able to speak, read, write and understand English.

BEAUTIFYING A HOME WITH THE RIGHT COLORS
For a home to look its best, it should have paint colors that complement the finishes in the home. Studies have shown that the wrong paint colors are one of the top five reasons that people will not be interested in a home. Many people take a "one color fits all" or "what's currently trending" approach to selecting paint colors, but every home is unique and needs just the right colors to create maximum appeal. Whether you are buying or selling a home or simply redecorating, this course will help you to select paint colors that bring out the best in the home.

In this course you will learn how to:

- Select the best color for a room
- Select coordinating colors for adjacent spaces
- Combine multiple colors in a room
- Create accent walls
- Select the best whites for trim, doors, cabinets, etc.
- Select the correct paint finish
- Create the desired mood for a room

Concealed Carry Licensing

On July 9, 2013, Public Act 98-63, the Firearm Concealed Carry Act, became Illinois state law. This course will satisfy the legal training requirements for eligible residents who wish to apply for permission to carry a concealed firearm. All participants will be required to qualify on the range and will attend classroom topics covering state and federal laws relating to the ownership, storage, carry and transportation of a firearm as well as weapons handling as defined in the statute and administrative rules.

Requirements and Course Information: Participants must be at least 21 years of age and if a resident of the State of Illinois, be eligible to possess a valid FOID card. Basic weapon handling knowledge and experience is recommended but not required.

Those who own a 9 mm or a 38 special will use their personal weapon and provide their own ammunition as part of their range exercises. Based on availability, participants who do NOT own a handgun may be able to rent a weapon at a small additional fee in order to complete the range qualification. Students interested in this option should discuss availability with the instructor at the first class.

The College of Lake County is a weapons-free location.

Students are prohibited by law from bringing firearms to campus. This includes all buildings and parking lots. Students should not bring their firearms on campus or to class. Weapons should only be brought to the final class meeting, which is held at a shooting range.

Prior Training: The 12- and 8-hour training classes are listed as department consent. Prior proof of training MUST be received before a student can register for either section. Call (847) 543-2980 for more information. For participants with prior training, please refer to chart at www.clcillinois.edu/personalenrichment/CCL. All documentation or certificates proving completed prior training must be submitted to CLC via email at cpeinfo@clcillinois.edu or delivered in person to Room T317 at the Grayslake Campus no less than five business days prior to the start date of any class.

CONCEALED CARRY LICENSE TRAINING - 16 HOURS
This course will satisfy the legal training requirements for eligible residents who wish to apply for permission to carry a concealed firearm. In this course, firearm knowledge, safety and personal protection will be emphasized in order to gain the appropriate mindset and skills needed for responsibly exercising the right to carry. This training program includes live fire range qualification as well as the required classroom hours which will thoroughly cover the directives and restrictions outlined in the new law. Participants in this class must be at least 21 years of age and if a resident of the state of Illinois, be eligible to possess a valid FOID card. All participants will be required to qualify on the range and will attend classroom topics covering State and Federal Laws relating to the ownership, storage, carry and transportation of a firearm as well as weapons handling as defined in the statute and administrative rules. Students are prohibited by law from bringing firearms to campus. This includes all buildings and parking lots. Students should NOT to bring their firearms to class. Weapons should only be brought to the final class meeting, which takes place at a shooting range. Range time is subject to change.

CHECKING IN ON GERMANY'S CURRENT AFFAIRS
After the recent federal elections, it took almost six months until Chancellor Angela Merkel was able to create a new coalition government. Add to that the challenging integration of Muslim refugees and the disappointment of many East Germans over unequal living conditions thirty years after the fall of the Berlin Wall – no wonder the country is currently experiencing turbulent times.

PANDEMICS
Waves of disease have killed millions of people – Black Plague, Spanish Flu, Smallpox, etc. In each case medical science was initially powerless to stop the diseases but learned a great deal while fighting them. Will the next pandemic be an antibiotic resistant disease that will prove more potent than our tools to fight it?

FROM GUEST WORKERS TO CITIZENS: THE TURKISH MINORITY IN GERMANY
It has been almost 60 years since the first guest worker recruitment treaty went into effect. In these six decades Germany evolved into a multicultural society and today about three million Turks are calling Germany their home. The integration of the Turkish community has not been without its problems but the young and the well-educated seem to manage the transition from guest workers to citizens quite well.

THE GREAT GATSBY
Published in 1925—but startlingly still current—"The Great Gatsby" reveals America's easy surrender to the allure of wealth and its promise of instant and lasting happiness. In Jay Gatsby, F. Scott Fitzgerald creates an amoral hero who becomes an American icon: the get-rich-quick schemer, oblivious to morals and people, whose only god is personal satisfaction. It is not necessary to read the novel to benefit from this class.

DIVERSITY IN EARLY CHRISTIANITY
Jesus of Nazareth dies after a three-year ministry leaving behind bewildered disciples. They wonder: who is this Jesus who surprisingly rose from the dead; how should we organize our community; what scriptures should we accept? The answers vary dramatically, and the first centuries of the church present a fascinating account of believing communities believing very different things.

THE BATTLE OF FRANKLIN
November 30, 1864 proved disastrous for the Confederate army in Franklin, Tennessee. Though not discussed as often as Gettysburg, it had many epic moments even more impressive than that 1863 battle. Even if military history is not your interest, the human struggle of the armies and the Franklin citizens will bring home the valor and tragedy of these incredible Americans.

Steps to Apply, Register and Pay

1. Apply for Admission

- Students who wish to take Professional Development or Personal Enrichment course need a CLC student ID prior to registering.
- To get your CLC ID, please complete the Student Admission Form at **www.clcillinois.edu/apply**
- When your application has been processed (usually within one business day), you will be given a CLC myLogin username and temporary password as part of the admission process. If you provided an email address on your application your username and password will be emailed to you in two separate emails. All new students will also receive an official admission letter with their login information via U.S. mail.
- Once you have your username and temporary password, you can set up myLogin.
- If you need login help, contact the ITS Service Desk at www.clcillinois.edu/helpdesk or call (847) 543-HELP (4357).

2. Steps to Register

- If you already have your CLC ID, you may register online or in person at any of our three campus locations or go to the myCLC student portal. After entering your login, select the "Student Center" option to be taken to the student registration system.
- At myCLC Student Portal click on "Search for Classes."
- Specify the semester and then a subject to view the classes available.
- When you find the specific open class section you want click "Select Class" and add it to your shopping cart.
- Click on "Shopping Cart" check the box next to your selected class and click enroll.
- When you want to add or drop a class, check for a "Success" or "error" message.
- Register for classes at **www.clcillinois.edu**.
- For more information, visit **www.clcillinois.edu/admission**.

3. Where and when to Register In Person

On-site Registration Hours
Monday-Thursday 8 a.m. to 8 p.m., Fridays 8 a.m. to 4 p.m.
Online Registration is available 24/7

- Grayslake Campus–19351 W. Washington St., Grayslake
- Lakeshore Campus–111 N.Genesee St., Waukegan
- Southlake Campus–1120 S. Milwaukee Ave., Vernon Hills

4. Pay Tuition and Fees

- Log into myCLC to view your billing statement and class schedule.
- Paper billing statements are no longer mailed to your home. Email notifications will be sent to your student email once your statement is ready to view on myCLC.
- A billing statement will be sent only on unpaid accounts. It is the responsibility of the student to meet payment deadlines. Again, establishing a payment plan or paying for a class should occur prior to the first day of the class regardless of when the student enrolled in the class.
- Payment plans are available for non-credit classes.
- Non-credit classes are not eligible for Financial Aid.
- Visit www.clcillinois.edu/paying-for-college/how-to-pay for more information.

Withdrawals

- Students are NOT automatically dropped from continuing education classes. Students who do not plan to complete a class they have enrolled to take are responsible for officially dropping the class online.
- Tuition and fee refunds will be issued to eligible students based upon the effective date of withdrawal, which is recorded in the system at the time the student drops the class.
- Students who stop attending class, but do not officially drop, will remain responsible for all tuition/fees for the class. It is not sufficient to tell a CLC staff member that you want to drop a class; you must complete the drop/withdrawal action yourself.
- The official deadline for dropping or for withdrawing is defined individually for each class.

Refund Schedule

- To check the deadline dates, log on to myCLC and choose "My Class Schedule." When your schedule appears, click on the calendar icon next to the class, and the deadline dates will be displayed. These dates are also displayed in the schedule of classes.
- If you are not sure of the deadlines, please check with the Office of Registrar and Records at (847) 543-2061.

Refunds for Semester-long Classes

- Withdrawal on or before start of class = 100 percent refund
- Withdrawal before 15 percent of class time passes = 100 percent refund
- Withdrawal after 15 percent of class days pass = no refund

Refunds for One-day and "Series" Classes

One Day Classes and Workshops

- Withdrawal the day before class = 100 percent refund*****
- Withdrawal on or after day of class = no refund

***Exceptions:** Due to the nature of some of the one-day classes, cancellations with a full refund are only made up to seven business days before the class. After that no refund is possible.

Senior Citizens

All in-district residents who are 60 years of age or older at the time of registration may enroll in credit courses offered by the college at one-half the regular tuition rate with all other fees remaining unchanged. Vocational credit courses (1.6 vocational credit) offered by Professional Development also qualify for the one-half tuition discount with all other fees remaining unchanged. The senior citizen waiver does not apply to Personal Enrichment classes.

All residents of the college district who are 65 years of age or older at the time of registration and who qualify financially according to Illinois Statute may enroll in credit courses (Professional Development and Personal Enrichment courses are not included) offered by the college without paying tuition or activity fees. Applications for the Senior Citizen Tuition Waiver are available in the Financial Aid Office, Room B114 or online at **www.clcillinois.edu/faforms**.

Room assignment

Please check your schedule for any updates to room assignments by logging in to MyCLC and checking MyStudentCenter ***prior*** to the class start date.

"I just missed being killed by about three seconds."

– Christine Burke praising CLC's defensive driving course.

Christine Burke of Lake Barrington enrolled in our Defensive Driving Course. While driving less than a week later, she used a lesson from the course to narrowly avoid getting smashed broadside by a car that ran a red light.

Burke said that she hesitated at the intersection, recalling a tip she learned in the defensive driving course called "delayed acceleration" waiting two or three seconds before entering an intersection if yours is the first car there. She credits this decision with saving her life.
