The College of Lake County Counseling Center produces this guide as an accommodation for students. Every effort is made to maintain accurate information; however, this information is subject to frequent change. Students should contact the four-year school to keep informed of changes, as final responsibility for verifying information rests with the student.

TRANSFER OPTIONS

• Completed AA: Completing the AA degree and including an IAI “N” course* is evaluated as completing the lower division general education requirements. Specific majors may have additional requirements for admission and graduation.

• Completed AS: the A.S. degree no longer completes the IAI GECC package. A.S. degree completers may either complete the IAI GECC upon transfer to Bradley or they may select appropriate elective coursework within the A.S. to complete the IAI GECC at CLC, or they may complete the general education requirements of Bradley upon transfer.

• IAI GECC: Completing only the IAI General Education Core at CLC (no AA/AS) and including an IAI “N” course* will be evaluated by Bradley as completing the lower division general education requirements.

• Completing some courses at CLC: If transferring prior to completing the IAI General Education Core at CLC, courses will be evaluated on a course-by-course basis and students must meet Bradley’s general education requirements.

*IAI “N” course is a general education course with an IAI designation number ending with an “N” If the “N” (non-western) course is not completed as part of the IAI, then students should include one of the following CLC courses: HST 121, 122, 126, 127 or HUM 128.

TRANSFER CREDITS

The maximum number of semester hours transferable from a community college is 66. Grades of "D" are transferable if a 2.5 GPA was achieved at the institution at which the course was taken. Exceptions include and are not limited to courses required to satisfy major requirements in the College of Business, the College of Engineering, and the Department of Teacher Education.

Course equivalencies can be viewed at:
http://www.bradley.edu/admissions/transfer/academic/transfer_guides/index.dot

ADMISSION REQUIREMENTS

2.50/4.0 GPA and completion of 24 transferable semester hours

• With less than 24 hours, high school transcript w/ACT or SAT score required

• Some majors require a higher GPA

CALCULATION OF ADMISSION GPA

Developmental coursework will not be included in the calculation of the admission GPA. If a course is repeated, Bradley will accept the better grade regardless of when or where the courses were taken.

APPLICATION
There is no application deadline; however, an early application is encouraged. The application is free online. Registration for fall classes begins in April and registration for spring classes begins in November. Therefore, applying prior to those months is best in order to register for the courses required in the major. Online application: http://admissions.bradley.edu/transfer/apply/

FOREIGN LANGUAGE REQUIREMENT
Students pursuing a BA degree must complete two years of college foreign language. Students with four units of high school language must successfully complete a 202 or 300 level course or satisfy this requirement by a proficiency examination.
