

General guide for comparison only - Use Nursing major Transfer Planning Guides for most accurate information

This comparison chart is suitable for students earning an **AA/AS**, or for those working on some or all of the **IAI General Education Core**. A limited number of RN-BSN completion programs are reviewed in the chart for those students who are planning to earn an RN degree. Please see the program footnotes on page 2 to identify the colleges on this chart that offer the RN-BSN completion programs in addition to the more traditional transfer BSN programs reviewed in the chart.

*Contact the transfer institution's college of nursing for GPA requirements. Please contact the school you are interested in for additional program requirements.

¹**Chamberlain** – Chamberlain does not approve transfer guides. For more information visit <http://www.chamberlain.edu/academics/transfer-students> . It is strongly recommended that you speak to a Chamberlain admissions advisor before taking courses for transfer. The transfer of courses into Chamberlain are not guaranteed unless approved by the Chamberlain Registrar. Registrar Services completes the official Transcript evaluation for applicants. Students need to submit all high school and colleges attended transcripts to their Chamberlain Admissions Advisor when interviewed to obtain an Official Transcript evaluation. The Admissions Advisor will request this after an interview is completed. Chamberlain also offers an RN_BSN Program.

²**Elmhurst College** – This transfer option is suitable for students earning an AA/AS: there is a minimum of 12 courses required for transfer. See Elmhurst Nursing Transfer Guide for specific requirements. Elmhurst also offers an RN-BSN completion degree: admission requirements include possessing an RN license, a 2.75 GPA, and a 2.75 GPA in all science courses. Note: CHM 125 is not required for RN-BSN students.

³**ISU** - The Mennonite College of Nursing will only consider admission for fall. The next available entry will be fall 2018. The application period will be 9/1/17 – 1/15/18. The College of Nursing offers: RN to BSN program; Traditional Pre-licensure BSN program; Accelerated Pre-licensure BSN Program (for those with a non-nursing bachelor's degree). This chart's transfer option is suitable for students earning an AA/AS degree or the IAI General Education Core Curriculum with grades of C or better in each course for a total of 56 hours.

⁴**ISU** – Global Studies elective: choose from ENG 246, 247; HUM 128, 129; ANT 121, 221; GEG 122, 223, 123; HST 126, 127, 245, 246; PHI 126, 221; PSC 222.

⁵**Lakeview** - This transfer option is suitable for students earning an AA/AS: requires a minimum of 60 credit hours of preliminary coursework to transfer. Lakeview offers several other BSN Tracks including accelerated, part-time and RN-BSN completion degrees. Please see Lakeview website for details.

⁶**NIU** – This transfer option is suitable for students earning an AA/AS: there is a minimum of 24 transfer credits required to transfer. NIU offers an RN-BSN completion degree: please refer to NIU's course catalog for details.

⁷**Olivet** – This accelerated transfer option is suitable for students earning an AA / AS / AAS degree or minimum of 60 credit hours accepted as transfer. Please see <http://olivetnursing.com/admissions/> for details.

⁸**Resurrection** – This transfer option is suitable for students earning an AA/AS: requires a minimum of 60 credit hours of prerequisite coursework to transfer. Resurrection also offers an RN-BSN completion degree. Please see Resurrection's website for additional information.

⁹**Resurrection** - Math 122 or higher.

¹⁰**Rockford** – This transfer option is suitable for students earning an AA/AS: requires a minimum of 45 credit hours of prerequisite coursework to transfer. Please see Rockford's website for additional information.

¹¹**Saint Xavier** - This transfer option is suitable for students working toward completing the IAI GECC. St. Xavier recommends that students transfer after completing 2-3 semesters of recommended courses. St. Xavier's RN-BSN program has been suspended (they have an LPN-BSN Program).

¹²**Saint Xavier** – The SXU Chemistry requirement (CHEM 109: Survey of General, Organic & Bio-chemistry) has no equivalent at CLC, however CHM 121 is recommended as a prerequisite to their course.

¹³**Saint Xavier** – Any SOC/ANT General Education Course is required.

¹⁴**UIC** – Please see Transferology.com and run a Nursing program with equivalencies for specific course choices to fulfill one course in each of the following areas: Exploring World Cultures, Understanding the Past, Understanding the Creative Arts, (additional electives may be required).

¹⁵**UIC** – If pursuing UIC's Online RN-BSN program, in addition to completing an RN, there are additional courses that can be taken at CLC to fulfill UIC Baccalaureate requirements before transferring. Refer to UIC's Transfer Guide for course options when choosing your additional required courses. It is strongly recommended that you choose ANT 221 for the multicultural requirement, as it fulfills UIC's world culture requirement. You will also need Understanding the Past, Understanding the Creative Arts.

¹⁶**UWP** - The University of Wisconsin-Milwaukee (UWM) College of Nursing together with the University of Wisconsin-Parkside (UWP) offers a Bachelor of Science in Nursing at the UWP campus. Students who are admitted to this program will be required to meet UWM's general education/graduation requirements, since the degree will be granted by UWM. Therefore, this program does not follow the agreement CLC has with UWP regarding completion of the AA/AS degrees. You are encouraged to make an appointment early on to meet with the UWP Nursing Advisor.

¹⁷**UWP** – See UWP Transfer Guide for Nursing for specific General Education Requirements for UWM.
