-Tuition rate of $364 per core RNBSN program credit-hour. Total cost of 30-credit-hour core program, is $10,920.*

*Does not include textbooks, general education requirements, support courses or graduation fee.

Olivet Nazarene University offers the Bachelor of Science in Nursing (BSN) degree completion program on-site at the University Center of Lake County. Olivet's RNBSN program is available 100% online as well as hybrid and on-ground.

The 21-month BSN core curriculum can be completed by attending class one night per week or online — through a cohort. A class can begin study at any time once 12 students have registered. The degree is issued when all core curriculum, general education and support requirements are fulfilled.

Olivet Nazarene University carefully assesses BSN program applicants on the basis of evidence provided in all application materials. Therefore, while a personal interview is not required, application materials submitted must be prepared thoroughly, thoughtfully, and professionally for full consideration. Applications will be processed upon receipt of all required materials.

To be admitted into Olivet Nazarene University’s Bachelor of Science degree in Nursing program, an applicant must meet these prerequisites:

1. Submit a completed Olivet Nazarene University application form.
2. An associate’s degree in nursing from a regionally accredited institution or a diploma from a school for registered nursing education.
3. Official transcripts from all previously attended institutions
4. Submit a copy of a current R.N. license.
5. A minimum cumulative grade point average of 2.75 from all institutions previously attended.
6. Submit $50.00 application fee.

Olivet Nazarene University is a participant in the Illinois Articulation Initiative (IAI), a statewide agreement that allows transfer of completed Illinois-transferable general education core curriculum between participating institutions.

Transfer of Credit Policy: A maximum of 82 credit-hours (or equivalent quarter-hours) may be accepted from community/junior colleges as transfer credit to the BSN degree completion program at Olivet. Only courses with a grade of C or above are eligible for transfer consider.
## COLLEGE OF LAKE COUNTY
(Nursing A.A.S.)

### Core Nursing Requirements:
