Triton College
Admission/Course Planning Guide – Diagnostic Medical Sonography AAS

In addition to fulfilling the selective admission health program requirements, candidates must complete the following general admission requirements: complete a Triton College application, submit applicable transcripts, take placement exams, or demonstrate course equivalency, and complete a new student orientation. **Attending a DMS Information session is required.** For more information or to sign up for an Info session please visit: [https://www.triton.edu/about/dept/academic/school-of-health-careers-public-service-programs/diagnostic-medical-sonography/](https://www.triton.edu/about/dept/academic/school-of-health-careers-public-service-programs/diagnostic-medical-sonography/)

For more information contact:
Krysti Reece, Program Chair, [krystireece@triton.edu](mailto:krystireece@triton.edu)

**Application Prerequisites: The following courses must be completed before your application will be evaluated. All grades must be ‘C’ or better:**

Take the equivalent to one of the following courses for math: College Algebra, Pre-Calculus, Finite Math or Calculus. Note: a statistics course does not fulfill Triton’s math requirement.

- BIO 244 Anatomy and Physiology I
- ENG 121 English Composition I
- HIT 111 Medical Terminology
- Physics*

*A 1-credit Imaging Physics course (DMS 100) is required. Triton offers the course online or classroom. CLC students can take a college physics course (PHY 121) to meet this requirement or take DMS 100 at Triton.

Application deadlines for Fall admissions include 2 rounds: September 15 and January 15th. In the first round all those qualified will be admitted. If the class is not full, they will consider applications in January. The class usually fills at that point.

**Additional degree requirements that can be transferred to Triton:**

- CMM 121 Fundamentals of Speech
- ENG 122 English Composition II
- BIO 245 Anatomy and Physiology II
- Social and Behavioral Science Elective
- Humanities & Fine Arts Elective

*Note most students that are accepted into the program have some if not all of these completed.

**Note:** The College of Lake County and Triton College participate in the CAREERS (Comprehensive Agreement Regarding the Expansion of Educational Resources) partnership. CAREERS allows CLC students to enter programs leading to an Associate in Applied Science degree at participating colleges and pay in-district tuition rates. For these programs, in-district tuition rates may be available upon presentation of a Joint Agreement Authorization form. Students should contact the contact the Welcome and One Stop Center at (847) 543-2061 for program information and authorization to register at the appropriate school.
