| Admissions web site: | https://admissions.uic.edu/undergraduate/tuition-financial-aid |
| http://www.admissions.uic.edu | Financial Aid/Scholarships: |

This transfer guide is designed to assist students with their academic planning. Every effort is made to maintain accurate information; however, this information is subject to frequent change. Students should contact the member institution to keep informed of changes, as final responsibility for verifying information rests with the student.

#### TRANSFER OPTIONS

**Completed AA or AS degree:** UIC recommends that students follow the appropriate UIC College transfer guide while completing an A.A. or A.S. degree before transferring. **All of UIC’s academic programs have specific college pre-requisite courses that must be completed at CLC in order to be considered for admission.**

**IAI GECC:** Completing only the IAI General Education Core at CLC (no AA/AS) will be evaluated by UIC as completing the lower division general education requirements; however, the courses required for acceptance to a particular program may not be met. There will be additional UIC College graduation requirements.

**Completing some courses at CLC:** If transferring prior to completing the IAI General Education Core at CLC, students may have an opportunity to complete the Core at UIC with approved IAI courses or to follow UIC’s general education requirements to meet the general education component of the baccalaureate degree in order to graduate from UIC.

**Guaranteed Transfer Admission Partner:** Students may apply for the GTA a year before they plan to matriculate. To learn more please visit [www.clcillinois.edu/GTA](http://www.clcillinois.edu/GTA).

#### TRANSFER CREDITS

After attaining junior standing, all students must complete 60 semester hours at UIC or another accredited four-year institution. Ordinarily, students should not enroll at a community college after earning 60 semester hours. See additional University Degree Requirements here:

[http://catalog.uic.edu/ucat/degree-programs/univ-degree-requirements-graduation/](http://catalog.uic.edu/ucat/degree-programs/univ-degree-requirements-graduation/)

In general, some D grades transfer. However, several UIC colleges require C’s or better in Math courses (LAS, Business, Engineering, and Education). In addition, the College of Engineering, the College of Education, and the College of Nursing require C’s or above in all college courses to transfer these courses toward a Bachelors degree.

**Course equivalencies** can be viewed using the Transferology website: [https://www.transferology.com/](https://www.transferology.com/)

#### ADMISSION REQUIREMENTS

Transfer applicants with less than 36 hours of credit **at time of enrollment** must submit high school transcripts and ACT/SAT scores. Students who fall below the minimum 24 credit hours **at the time of application**, but have completed one semester of college-level coursework, are now eligible to apply as a transfer student if they submit high school transcripts and ACT scores for the following academic colleges: College of Architecture, Design, & the Arts, College of Business Administration, and College of Liberal Arts & Sciences. Other academic programs will review transfer applicants with less than 24 credit hours on a case by case basis with the exception of Nursing and Nutrition (see attached transfer requirements page).

For more information and for updated transfer requirements for each academic major please visit: [http://admissions.uic.edu/undergraduate/undergraduate-requirements-deadlines/transfer-requirements/transfer](http://admissions.uic.edu/undergraduate/undergraduate-requirements-deadlines/transfer-requirements/transfer)

**Please note:** Various colleges within the University have specific hour, pre-requisites and minimum GPA requirements as well as application deadlines.

Janet Fisher (or another counselor) Grayslake Counseling Center/A-124, 543-2060
Transfer Guides can be viewed online at [http://www.clcillinois.edu/transferinfo](http://www.clcillinois.edu/transferinfo)
CALCULATION OF ADMISSION GPA
The minimum GPA to be considered for admission varies by academic major. A student may be required to meet higher minimum grade point averages in certain degree programs. Developmental coursework and non-transferable coursework does not get calculated into the GPA. For repeated courses (including courses that have been forgiven by the sending institution and/or replaced by re-taking a course) if both grades remain on the transcript, the GPA is averaged, but credit for the course is only received once.

APPLICATION
Spring/October 15—Fall/March 31—
See web site for application dates for specific programs. College of Nursing and Nutrition have earlier Fall application and credential deadline of January 15.
The following programs do NOT accept transfer applications for the Spring terms:
Architectural Studies, Architecture, Design-Foundation, Graphic Design, Industrial Design, Urban Education, Nursing, Nutrition, Kinesiology, Health Information Management (on campus), and Pharmacy
The Online Application can be found at: https://admissions.uic.edu/apply-now

FOREIGN LANGUAGE REQUIREMENT
The College of Liberal Arts and Sciences requires four semesters of a foreign language to earn a bachelor’s degree. (There are exceptions, see the LAS website for more information). The College of Business requires two semesters of a foreign language but waives this requirement if a student took 2 or more years of a single foreign language in high school. Art History majors require four semesters of foreign language or the equivalent. Urban Studies majors require 8 hours in a foreign language or the equivalent.

TRANSFER SCHOLARSHIP OPPORTUNITIES
Transfer students to UIC may be eligible for the following scholarships once they are admitted to UIC. There is a separate application for newly admitted transfer students to apply for these transfer scholarship opportunities:
   Transfer Merit Tuition Award – membership in the Honors College is not required
   Phi Theta Kappa Scholarship – membership in the Honors College is required
For more information including the criteria to be considered for each of these transfer scholarship opportunities, please review the Honors College web site at this direct link: http://www.honors.uic.edu/scholarships/

SPECIAL NOTES
- Undergraduate programs are predominately daytime programs. See individual programs for exceptions.
- UIC Secondary Education majors - the teacher certification general education requirements are the same as the College of Liberal Arts and Sciences general education requirements.

TRANSFER PLANNING GUIDES BY MAJOR
Please utilize Transferology - An online tool that will help you view program requirements, course equivalencies, and see how courses you have taken or plan to take transfer to UIC based on your academic major.

University of Illinois at Chicago
Transfer Admission Requirements
2017

College of Applied Health Sciences
Health Information Management
Fall applications only
Supplemental Application Materials Required
*Minimum GPA: 2.50/4.00
Minimum Semester Hours at time of application: 44
Minimum Semester Hours at time of enrollment: 60
Minimum transfer requirements at time of application: 44 semester hours of pre-requisite course work. Consult transferology, the HIM website, or the UIC catalog for specific requirements.
Minimum transfer requirements at time of enrollment: Consult Transferology, the HIM department website, or the UIC catalog for specific requirements.

Health Information Management (online program)
Accepts applications for Fall, Spring, and Summer
Supplemental Application Materials Required
Please be advised that this program is designed for students earning an Associate’s degree prior to transferring.
*Minimum GPA: 2.50/4.00
Minimum Semester Hours at time of application: 44
Minimum Semester Hours at time of enrollment: 60
Minimum transfer requirements at time of application: 44 semester hours of pre-requisite course work. Consult transferology, the HIM website, or the UIC catalog for specific requirements.
Minimum transfer requirements at time of enrollment: Consult Transferology, the HIM department website, or the UIC catalog for specific requirements.

Nutrition
Fall applications only
Supplemental Application Materials Required: Prerequisite Form, For Nutrition Coordinated: 2 letters of recommendation
Application deadline: January 15
*Minimum GPA: 2.50/4.00
Minimum Semester Hours at time of application: 44
Minimum Semester Hours at time of enrollment: 60
Minimum transfer requirements at time of application/enrollment: Consult Transferology, the Nutrition website, or the UIC catalog for specific requirements.

Kinesiology
Fall applications only
*Minimum GPA: 2.50/4.00
Minimum Semester Hours at time of application: 24
Minimum Semester Hours at time of enrollment: 36
Minimum transfer requirements at time of application: English Composition I and II, Pre-calculus or College Algebra and Trigonometry, General Biology with lab
Minimum transfer requirements at time of enrollment: Consult Transferology, the Kinesiology Department or the UIC catalog for specific requirements.

College of Architecture, Design & the Arts
Architecture, Architecture, Design- Foundation, Graphic Design and Industrial Design majors accept Fall applications only, all other majors accept Fall and Spring applications
Supplemental Application Materials Required
*Minimum GPA: 2.75/4.00
Recommended Semester Hours at time of application: 24
Recommended Semester Hours at time of enrollment: 36
Minimum transfer requirements at time of enrollment: Consult Transferology, the College website or the UIC catalog for specific requirements.

College of Business Administration
Accepts applications for Fall and Spring
*Minimum GPA: 2.75/4.00
Minimum Semester Hours at time of application: 24
Minimum Semester Hours at time of enrollment: 36
Courses recommended to be completed at time of application: English Composition I, Calculus I OR Business Calculus OR Finite Math
Courses recommended to be completed at time of enrollment: English Composition II, Calculus II OR Business Calculus OR Finite Mathematics

College of Education

Urban Education (Elementary Education concentration)
Accepts applications for Fall and Spring
Supplemental Application Materials Required
*Minimum GPA: 2.5/4.00
Minimum transfer requirements at time of application/enrollment: Consult the College of Education, the college web site, Transferology or the UIC catalog for specific course requirements.

College of Education

Human Development and Learning
Accepts applications for Fall and Spring
Supplemental Application Materials Required
*Minimum GPA: 2.5/4.00
Minimum transfer requirements at time of application/enrollment: Consult the College of Education, the college web site, Transferology or the UIC catalog for specific course requirements.

College of Engineering

Accepts applications for Fall and Spring
*Minimum GPA: 2.50/4.00
Recommended Semester Hours at time of application: 44
Recommended Semester Hours at time of enrollment: 60

All Majors Except Computer Science
Recommended transfer requirements at time of application: English Composition I; Calculus I, II, III; Physics I; Chemistry I or Physics II
Recommended transfer requirements at time of enrollment: English Composition I and II; Calculus I, II, III; Differential Equations; Physics I and II; Chemistry I

Computer Science Majors Only
Recommended transfer requirements at time of application: English Composition I; Calculus I, II, and III; Biology I or Earth Science I or Physics I; Biology II or Chemistry I or Earth Science II or Physics II
Recommended transfer requirements at time of enrollment: English Composition I and II; Calculus I, II, III; Differential Equations; Biology I and II or Earth Science I and II or Physics I and II; Chemistry I

College of Liberal Arts and Sciences

Accepts applications for Fall and Spring
*Minimum GPA: 2.50/4.00
Minimum Recommended Semester Hours at time of application: 24
Minimum Recommended Semester Hours at time of enrollment: 36
Recommended courses at time of application/enrollment: English Composition I and II, one course in quantitative reasoning (math course above college algebra, or logic, or statistics), one course in Analyzing the Natural World that includes a formal laboratory component.

School of Public Health

Public Health
Accepts applications for Fall and Spring
Supplemental Application Materials Required
*Minimum GPA: 2.75/4.00
Minimum Required Semester Hours at time of application: 44
Minimum Required Semester Hours at time of enrollment: 60
Required courses at time of application/enrollment: English Composition I and II, one course in each of the following categories: Understanding the Individual and Society, Understanding U.S. Society, Exploring World Cultures, Understanding the Past, Understanding the Creative Arts, Foreign Language, Biology with Lab, Quantitative Reasoning (one math course above college algebra, or logic, or statistics), Health and the Public, Public Health and Global Sciences, and Public Health and the Study of Diseases and Epidemics.

For additional details, please review the web site at this link: http://publichealth.uic.edu/admissions/undergraduate-degree-program

Nursing (Traditional Program)

FOR MORE INFORMATION ON UNIVERSITY OF IL CHICAGO CONTACT:
Janet Fisher (or another counselor) Grayslake Counseling Center/A-124, 543-2060
Transfer Guides can be viewed online at http://www.cicillinois.edu/transferinfo
Fall applications only

**Supplemental Application Materials Required**

**Final Application Deadline:** January 15

*Minimum GPA: 2.75/4.00 (Minimum natural science GPA: 2.50/4.00)

**Minimum Semester Hours at time of application:** 44 semester hours of specific pre-requisite courses including a minimum of 3 of the 5 natural science pre-requisite courses (Anatomy & Physiology I and II with labs, Microbiology, General Chemistry with Lab and Organic Chemistry or Biochemistry with lab) to be completed by the deadline. Other pre-requisite courses are English Composition I and II, Understanding the Individual and Society (Intro to Psychology recommended), Understanding U.S. Society (Intro to Sociology recommended), Human Nutrition, Lifespan Development, Statistics, Understanding the Past course, Understanding the Creative Arts course, Exploring World Cultures course, and Electives (Varies).

**Minimum Semester Hours at time of enrollment:** 57 semester hours of specific pre-requisite coursework. Consult the College of Nursing website, and transferology for specific course requirements. Also please visit [http://www.nursing.uic.edu/bachelor-science-nursing-admissions/application-process](http://www.nursing.uic.edu/bachelor-science-nursing-admissions/application-process) for more information regarding the application process for the traditional BSN program.

**Nursing (Online Completion Program: ADN-BSN)**

Accepts applications for Fall and Spring

**Supplemental Application Materials Required**

*Minimum GPA: 2.75/4.00 (Minimum natural science GPA: 2.50/4.00)

**Minimum Semester Hours at time of application and enrollment:** 57 semester hours of specific pre-requisite courses including English Composition I and II, Chemistry, Human Anatomy, Human Physiology, Microbiology, Nutrition, Life Span Human Growth & Development, Understanding the Individual and Society course, Understanding U.S. Society course, Exploring World Cultures course, Understanding the Past course, Understanding the Creative Arts course, and Electives (Varies).

Consult the College of Nursing website or transferology for specific course requirements. Also please visit [https://bsn.ec.uic.edu/](https://bsn.ec.uic.edu/) for more information regarding the RN to BSN Online Degree Completion Program.

**College of Urban Planning and Public Affairs**

Accepts applications for Fall and Spring

*Minimum GPA: 2.50/4.00

**Minimum transfer requirements at time of application/enrollment:** English Composition I and II, Quantitative Reasoning (math course above college algebra, logic or statistics), one course in Analyzing the Natural World.
