

**Statement of Intent to Complete a Bachelors of Science Degree in the
College of Agricultural, Consumer and Environmental Sciences (ACES)
at the University of Illinois at Urbana-Champaign**

Upon completion of my Associate's Degree at _____ College, I desire to enter the College of ACES as a major in _____ with a concentration in _____.

I have been given a Curriculum Guide which explains the procedures for applying for admission as a transfer student to the College of ACES and the requirements for admission into my desired major. I can find additional information on the College's webpages:

<http://academics.aces.illinois.edu/> and <http://academics.aces.illinois.edu/future-students/transfer>.

I understand that if I complete all academic requirements listed in the Curriculum Guide, including earning the stated minimum grade point average, I will be admitted to the College of ACES.

I also know that every effort will be made to admit me to my preferred major and concentration. However, if this is not possible, I will be offered admission to a related academic program in the College of ACES.

I am aware that I can contact Brianna Gregg, Transfer Coordinator in the Office of Academic Programs in the College of ACES at (217) 333-3380 or by email at bjgray2@illinois.edu at any time I have a question or would like advising assistance.

Student Name: _____

Signature: _____ Date: _____

Phone: _____ Email: _____

Other Majors/Concentrations I am interested in: _____

Semester and year when I plan to start at the University of Illinois: _____

Please return this form by either:

Mail: College of ACES, Office of Academic Programs, 1301 W Gregory Drive, 128 Mumford Hall, Urbana, IL 61801

Fax: (217) 244-6537

Email: bjgray2@illinois.edu
