University of Wisconsin – Whitewater Transfer Planning Guide

Completed Associate of Art or Associate of Science degree: Students who have completed an Associate of Art or Associate of Science degree from CLC will meet the UW-Whitewater general education requirements. The Associate of Art or Associate of Science does not waive the U.S. Racial/Ethnic Diversity course requirement. Students may complete the U.S. Racial/Ethnic Diversity course after transferring to UWW. CLC Equivalents for the U.S. Racial/Ethnic Diversity course requirement: ENG 246, ENG 263 or 264, CMM 127, SOC 225 (which could be incorporated into the Associate of Art or Associate of Science with proper planning).

IAI GECC: Students may complete the Illinois Articulation Initiative (IAI). However, the completed IAI will not necessarily meet all college requirements and prerequisite coursework for UWW. Completing some courses at CLC: Students will follow UWW’s general education requirements to meet the general education component of the baccalaureate degree.
