

QUICK FACTS

Guaranteed Transfer Admission Agreements

Q: *What is Guaranteed Transfer Admission?*

A: CLC students are guaranteed admission to participating four-year colleges and universities if they meet specific requirements outlined in the agreement. See individual agreements for requirements.

Q: *Can I apply to other colleges and universities not listed as having guaranteed transfer admission?*

A: Yes, CLC students can always apply to any college or university through the normal transfer application process. This program simply offers students an assurance of admission to participating colleges or universities in the Guaranteed Transfer Admission program when requirements have been met.

Q: *What are the benefits? Why should I participate?*

A: Students can gain peace of mind knowing that they will be guaranteed admission to the college or university they choose when requirements have been met. Students also receive academic advising from both CLC and their intended college or university, ensuring a seamless transfer that saves time and money.

Q: *Can I get admitted into any major I want?*

A: It depends. Each college and university offers unique guarantees; some offer guarantees to all majors, some to a few majors, and some to all majors with a few exceptions (e.g. limited enrollment programs). The programs are listed in the agreements found on our Guaranteed Transfer Admissions website.

See other side for participating colleges and universities.

Q: *Do I need to be a full time student?*

A: Part-time and full-time students are eligible as are domestic and international students.

Q: *Are scholarships offered with the agreements?*

A: Many of the programs offer scholarships. See individual agreements for more details.

Q: *How do I participate?*

A: Current CLC students are eligible to participate and should meet with a CLC Academic Success Advisor (ASA) to review the specific college or university of interest to them. Students will fill out the participation form if they want to participate and submit it to the college or university of their choice. Students should sign up a full year before they intend to transfer to maximize advising from both institutions. Deadlines may apply, see agreement for details.

Q: *What schools offer these guarantees to CLC students and where can I get more information?*

A: See www.clcillinois.edu/gta for a complete list of participating colleges and universities. More agreements are coming soon.
