This transfer guide is designed to assist students with their academic planning. Every effort is made to maintain accurate information; however, this information is subject to frequent change. Students should contact the member institution to keep informed of changes, as final responsibility for verifying information rests with the student.

### TRANSFER OPTIONS

- **Completed AA degree:** CLC students will be evaluated to have met all NEIU general education requirements and receive junior status. (Must earn a ‘C’ or better in English Comp I, English Comp II, and Math)
- **IAI GECC:** Completing only the IAI General Education Core at CLC (no AA/AS) will be evaluated by NEIU as completing the lower division general education requirements. (Must earn a ‘C’ or better in English Comp I, English Comp II, and Math)
- **Completing some courses at CLC:** If transferring prior to completing the IAI General Education Core at CLC, students will be required to follow NEIU's general education requirements to complete the baccalaureate degree.
- **Guaranteed Transfer Admission Partner:** Students may apply for the GTA a year before they plan to matriculate. To learn more please visit www.clcillinois.edu/GTA

### TRANSFER CREDITS

The maximum number of semester hours transferable from a community college is 64. A student may use no more than 6 hours of "D" to meet the distribution area requirements (Fine Arts, Humanities, Behavioral/Social Sciences, and Natural Sciences)

To view course equivalencies click on this link: [http://www.neiu.edu/Transfer](http://www.neiu.edu/Transfer) and then click on Transfer Course Equivalency Guides on the left column.

### ADMISSION REQUIREMENTS

- 24 semester hours with a 2.0 ("C") GPA. Transfer students with less than 24 hours must also meet Freshman Admission criteria.
- Minimum GPA's for consideration: Business 2.5; Early Childhood 2.5; Elementary Education 2.5 with a 2.75 in all professional coursework; Special Education 2.75

### CALCULATION OF ADMISSION GPA

If a repeated course is one the student initially failed, the "F" grade will not be counted in the GPA. The same policy is used when repeating a course with an initial “D” grade. Developmental coursework is included when calculating an admission GPA.
