College of Lake County Learning Outcomes

The goal of the CLC Learning Outcomes (CLOs) is to prepare students for life-long learning, to maintain high academic standards, and to advance student success in future academic work and careers. The skills represented in the learning outcomes are developed by completing coursework across the curriculum and by participating in student organizations and clubs.

**Critical Thinking**
Identify issues, define vital questions, and analyze evidence that lead to well-reasoned judgments and conclusions

**Oral Communication**
Communicate ideas verbally that are well-organized, appropriate to audience and purpose, and use an effective delivery

**Writing**
Compose well-organized and well-supported texts that are appropriate to audience and purpose and that, when applicable, demonstrate the ability to integrate the ideas of others

**Reading**
Comprehend a variety of texts in order to enhance understanding of content and make inferences that lead to new insights and ideas

**Information Literacy**
Find, analyze, and use information in order to answer questions, develop new questions, and create knowledge through ethical participation in learning communities

**Quantitative Literacy**
Compute, reason, and solve quantitative problems from a wide array of authentic contexts and everyday life situations

**Technological Competency**
Select and apply contemporary forms of technology to solve problems, compile information, or produce a product

**Diversity and Social Justice**
Engage with and learn from ideas, beliefs, and behaviors different from one’s own. Identify concrete ways to contribute to a fair and just world
