Starting Your Business in Illinois

Spring 2019

Learn what is required to start a business in Illinois.

Starting a business in Illinois is exciting, but also challenging. This workshop gives the entrepreneur a realistic view of the requirements to start a business and the resources available to support a new venture. Learn the basic elements of starting a successful business and get answers to the most frequently asked questions!

We will discuss:

- Business resources available from the Small Business Development and International Trade Center
- Factors for business success
- Reasons for starting a small business
- Major considerations for starting a business in Illinois including:
 - Writing a business plan
 - Choosing a business structure
 - Registering ownership
 - Protecting products, services and ideas
 - Determining tax requirements
 - Fulfilling employer requirements
 - Securing permits, licenses and insurance
 - Identifying target markets
 - Marketing and selling
 - Securing business funding
- Next steps for starting your business
