First, make sure you have these 3 things...

**Email:** You’ll get some important emails from your instructor at this address.

**Course ID:** Ask your instructor for your Course ID!

**Access code or credit card:** The required access code comes either with your book or by itself at your bookstore. Alternatively, you can buy instant access with a credit card or PayPal account during registration.

**Course ID:** _____________________ (GIVEN BY YOUR INSTRUCTOR)

Next, get registered!

2. Under the large Register section on the right side of the page, and click the **Student** button.
3. Read the onscreen instructions and click **OK! Register now.**
4. Next, choose one of the following: **Yes, I have an access code,** or **No, I need to buy access.** Either way, you’ll be asked to **Accept** the License Agreement before moving on.
5. After this, when asked if you have a Pearson Education Account, either select **No,** to **Create** a new Pearson username/password, or, if you’ve already registered for another Pearson product (i.e. MyMathLab), select **Yes** and enter that username/password. If you have an **Access Code,** enter it on the bottom of the page.
6. On the next page, fill out the appropriate information fields then click **Next.** If you entered an **Access Code,** you will be brought to a page from which you can access your product. If not, enter your payment information so that you can **Purchase Access,** after which you’ll be granted access.
7. You are now registered! Now it’s time to **enroll in your course.**
8. **You’ll need your Course ID.** Go to [www.mylanguagelabs.com](http://www.mylanguagelabs.com) and click the **Sign In** button. Once signed in you can click the **Enroll in a Course** button on the top of the page, and enter your **Course ID** (provided by your instructor). You now have access to your course!
