Nurse Assisting (NUR 110)
Health Requirements

TO BE COMPLETED PRIOR TO ENROLLMENT

1. **TB Test**
   - 2-step TB test - The 2-step process takes 9 days to complete so please plan ahead. If a 2-step TB test has been completed in the past, please take the evidence of the 2-step to the Health Center. **OR**
   - T-Spot TB Test - Only one visit required, and results available within 2 business days.

**NOTE:**
- If you test positive for TB and require a chest x-ray, please provide evidence of a chest x-ray completed within the past 3 years to the Health Center.
- If a 2-step has been completed in the past and you have not maintained the yearly TB test since that time, the 2-step will need to be repeated.

2. Proof of **Tetanus** shot (TDap) within the past 10 years.

3. Blood test (titre) showing evidence of immunity to Measles.

4. Blood test (titre) showing evidence of immunity to Mumps.

5. Blood test (titre) showing evidence of immunity to Rubella.

6. Blood test (titre) showing evidence of immunity to Chicken Pox (Varicella virus).

Please call the Health Center (Grayslake Campus, E127) for additional information or to make an appointment at (847) 543-2064.
