The College of Lake County Counseling Center produces this guide as an accommodation for students. Every effort is made to maintain accurate information; however, this information is subject to frequent change. Students should contact the four-year school to keep informed of changes, as final responsibility for verifying information rests with the student.

## TRANSFER OPTIONS

- **Completed AA or AS degree:** The majority of CLC students who transfer with the A.A. or A.S. degree satisfy all the general education requirements; call MSOE for confirmation and additional assistance with course selection.
- **IAI GECC:** MSOE is NOT a participant in the IAI.
- **Completing some courses at CLC:** Students will follow MSOE’s General Education requirements. Call MSOE for additional assistance with course selection.

## TRANSFER CREDITS

The maximum number of semester hours transferable from a community college is 49% of any undergraduate degree. A grade of ‘C’ (not C-) or higher is required to receive credit for transfer courses. Course equivalencies can be viewed at: [https://resources.msoe.edu/transfer/index.php](https://resources.msoe.edu/transfer/index.php)

## ADMISSION REQUIREMENTS

- 2.5/4.0 GPA minimum; some majors require higher GPA.
- Acceptance to engineering (computer, software, bimolecular and biomedical), requires a minimum GPA of 3.00.
- Students who have completed 24 or more college credits, or who have been out of high school for 2 or more years are not required to submit ACT test results or a high school transcript.

## CALCULATION OF ADMISSION GPA

MSOE takes the cumulative GPA of the last college attended as it is posted on the transcript.

## APPLICATION

FOR MORE INFORMATION ON MILWAUKEE SCHOOL OF ENGINEERING CONTACT:
Grayslake Counseling Center/C-110, 543-2060
Transfer Guides can be viewed online at [http://www.cicillinois.edu/info/transfer](http://www.cicillinois.edu/info/transfer)
FOREIGN LANGUAGE REQUIREMENT
No foreign language requirement.

SCHOLARSHIPS
Scholarships are available for all full time students. GPA required to be eligible for scholarships is 2.5 and annual scholarships range from $6,000-$12,000.

SPECIAL NOTES
- MSOE accepts CLEP credit; Incoming students should call the Enrollment Management Office at (800) 332-6763 to see which courses would qualify for advanced placement at MSOE and what scores are required to receive credit.
- Applications submitted on-line are free of charge; paper applications require a $25 fee.
- MSOE ranked 9th in Best Undergraduate Engineering Programs for 2007
- Average class size is 20 and all courses are taught by professors, not teaching assistants

TRANSFER OPPORTUNITIES
Management
The Bachelor of Science in Management degree awards junior status to students with an Associate Degree or equivalent. The BSM offers concentrations in Business Administration, Financial Management, Information Systems, Marketing Management or Operations Management.

Technical Communication
Junior status is also awarded to students majoring in Technical Communications at MSOE once they have completed an AS degree at CLC

Electrical Engineering Technology and Mechanical Engineering Technology
The Bachelor of Science in EET and MET require specific prerequisites prior to admittance. Please refer to our website for details. EET: http://www.msoe.edu/eecs/et/ MET: http://www.msoe.edu/me/met/
CLC does have an articulation agreement with MSOE for the AAS in Electrical Engineering Technology. Contact the CLC EMPS Division for more details (847-543-2044).
