Some Questions to Consider When Talking with a Transfer Representative

These are not in any particular order; they are simply a guide.

Feel free to ask other questions, as well.

1. What are the five strongest majors at your institution? Do you offer a degree in ___________?
2. What minors do you offer? Can I minor in _____________?
3. What types of internship and co-op experiences are available?
4. What additional academic services do you offer students? (tutoring, career counseling, etc.)
5. Do you have additional support services for transfer students?
6. How can I arrange a campus visit? Are there special visitation days coming up? Can I arrange to shadow a current student?
7. What is the average class size?
8. How long does it generally take for students in my major to graduate?
9. Are there placement services for graduates?
10. What percentage of students reside on campus?
11. What is the average age of the student body?
12. How many transfer students begin classes each semester?
13. What are the application deadlines for admission and financial aid?
14. What types of extracurricular activities are available on campus?
15. Are there programs for study abroad?
16. How safe is your school? Can I obtain statistics about crime on your campus?
17. How well equipped are your classrooms, labs and other facilities?
18. What are the typical costs: Tuition, books, room and board?
19. Do you have specific scholarships for transfer students?
20. What is the housing situation for transfer students?
