**Univ. of Wisconsin - Whitewater**  
**Transfer Planning Guide – GENERAL EDUCATION**  
*Use in tandem with UWW general transfer guide*

**Reminder:** Associate of Arts and Associate of Science degrees satisfy the university wide, general education requirements (but some programs have additional requirements). This guide outlines UWW General Education requirements and should be used by those who are not completing the AA or AS degree.

The associate degree does not waive the UWW U.S. Racial/Ethnic Diversity course requirement. This requirement is separate from the General Education Requirements. The U.S. Racial/Ethnic Diversity course may be used to satisfy requirements in other areas, including General Education elective requirement, if approved. For more information visit: [http://uww-public.courseleaf.com/undergraduate/general-information/degree-and-graduation-information/diversity-requirement/](http://uww-public.courseleaf.com/undergraduate/general-information/degree-and-graduation-information/diversity-requirement/)

CLC Equivalents for the U.S. Racial/Ethnic Diversity course requirement: CMM 127, ENG 246, ENG 263 or 264, SOC 225

Note that earning the associate degree does not automatically satisfy PI 34 (WI Law) requirements for College of Education and Professional Studies.

**Advising Updates for those not completing the AA or AS degree:**

**A. General Education Requirements:** 44 credits:

1. Communication and Calculation skills *(12-13 cr)*
