Physical Exam (CLC form)	N/A			X	X	X		X
Eye Exam (CLC form)	N/A							X

### **Massage Therapy Students – only requirement for program is Physical Exam form.**

- 1 A TB 1-Step Test (\$10) is required each year after receiving the TB 2-Step or TB blood test for all continuing Health Career Students until completion of program.
- 2 NA and PHM students need to show proof of 2 MMR vaccinations and 2 Varicella vaccinations OR documentation of the disease(s). If they cannot show proof of vaccinations, positive titers will be accepted. PHM also needs to show 3 Hepatitis B vaccinations or proof of immunity.
- 3 If titers show student is not immune, booster shot(s) are required. CLC Health Services' cost for the MMR is \$108, Tdap is \$45, and Hepatitis B is \$48 each. The Hepatitis B Vaccination is a set of three immunizations over a 6 month period. (CLC Health Services costs listed are as of 9/15/23 and are subject to change.) CLC Health Services does not offer the Varicella vaccination.
- 4 For Phlebotomy, proof of Covid vaccinations are needed only for PBT116.
- 5 Flu shots required for fall and spring semester NUR110 sections. Phlebotomy students must show proof of a flu vaccination from the previous 12 months to register, and will be required to get upcoming season's flu shot when available. PHM students may need the flu shot for clinicals.

Procedures listed can be done at the CLC Student Health and Wellness Services (phone #847-543-2064) or offsite with provider/pharmacy. If done offsite, completed documentation must be dropped off at the Student Health Services (C176), faxed to (847) 543-3064 or emailed to [Healthcenter@clcollinois.edu](mailto:Healthcenter@clcollinois.edu).
