Explanation of Purchase: This purchase is for implementation of the Workday Human Capital Management, Finance and Student modules. The implementation is complex and requires the guidance of experienced experts in transitioning CLC’s student, faculty and staff services and processes from the existing PeopleSoft ERP to the Workday ERP. The services under this agreement cover the full multi-year implementation process.

A cross-functional, 19-member selection committee reviewed the bids and selected a vendor with experience working with Workday transitions in higher education settings.

In consultation with legal counsel, the final scoping and negotiation of the contract is in process. Since the implementation phase is scheduled to start in July, Administration is seeking Board approval in June to prevent any delay of the project. This Board approval is contingent on legal counsel’s finalization of the negotiated agreement, and that the negotiated amount is within the budget plan presented to the Board at its February 2023 Financial Planning Committee of the Whole meeting.

Recommendation: Approve a five-year agreement from July 10, 2023, through June 30, 2028, with Incline Alchemy, Inc. of San Ramon, CA in a not-to-exceed amount of \$9,170,000.00, subject to review by legal counsel.
