# COMMUNITY IMPACT REPORT [ 2023 ]

# **CLC IS A LEADER**

CLC achieved a milestone with its designation as a Leader College. This national recognition awarded by the Achieving the Dream Network is the result of improved student outcomes through the College's relentless commitment to transformational change and the implementation of innovative practices within the student success model over the past few years.

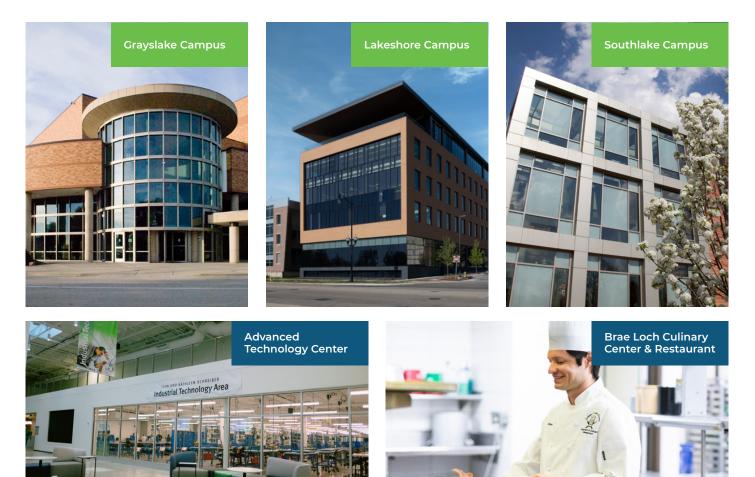

CLC aspires to be a place where every student succeeds, every employee thrives, so that every business achieves and every community grows.

# **CLC IS STRATEGIC**

CLC's 2024 Strategic Plan aims to continuously improve equitable student success outcomes through excellence in teaching, learning and community partnerships.

### ANTI-RACISM STATEMENT ADOPTED

Created in collaboration by a group of dedicated students, faculty and staff, the Anti-Racism Statement is one of the few to be adopted by any community college in the country. This demonstrates CLC's commitment to the diverse Black, Indigenous, People of Color communities we serve.

"We know that being in a position of power and remaining silent on the issue of racist practices is a disservice to our college community and our mission. We stand in unity with all oppressed, marginalized, minoritized and targeted racial/ethnic groups against racism, bias and hate. We support racial equality, racial equity and social justice."

# **GLOBAL SOCIETY**

No matter what country you call home, you are welcome at CLC.

### 88 international students, representing 35+ countries

- International students studying at College of Lake County contributed \$1.5 million to the local economy
- CLC offers extraordinary, affordable shortterm and semester-long study abroad programs to more than 10 countries

### HERE TO SERVE

Since the Student Center at Lakeshore Campus opened in January 2023, CLC hosted more than 3,500 community members at 50+ events in the Eleanor Murkey Community Center. With a balcony overlooking Lake Michigan, this space is a unique asset to downtown Waukegan and community organizations.

### COLLEGE CREDIT IN HIGH SCHOOL

Collaboration between CLC and local high school teachers and administrators creates dual credit opportunities that provide a growing number of students a path to degree completion in the least amount of time and cost and increase the college-going rate for Lake County students.

CLC has dual credit partnerships with 24 high schools, serving more than 3,000 students in 42 academic departments. Students and families benefit from cost savings of approximately \$2.2 million in college tuition.

"Being in dual credit classes has given me the opportunity to get college credits without the cost." – Brooke Roben, Lake Zurich high school student **Galaxie 300%** of dual credit students became CLC students after graduating high school

**43%** increase in 2022!

#### **BRINGING HOME GOLD**

CLC students competed at the 2023 SkillsUSA state competition and won four gold medals. They earned the opportunity to advance to the national competition and traveled to Atlanta for the "Largest Gathering of America's Future Skilled Workforce," where the CLC business/entrepreneurship team beat out the competition for first place.

"It was exciting to travel and network with new people. SkillsUSA showed me how important it is to take opportunities to put myself out there." – Jose Gallo, student

# STUDENT-FOCUSED COLLABORATIVE CULTURE

100+ employees have more than 20 years of service at CLC

### FEATURED FACULTY

CLC psychology instructor Martha Lally is not only the full-time faculty award recipient selected by CLC students, she's also the co-winner of Illinois Community College Trustees Association Faculty Award. Lally is a licensed clinical psychologist who strives to meet students where they are in the classroom. The award demonstrates her commitment to student success.

"Connecting with my students is very important to me." – Martha Lally

### RESOURCING STUDENTS FOR SUCCESS

CLC strategically redesigned the student onboarding and first-year experience programs to launch students toward successful completion of their first semester in college. Students now benefit from:

#### 17 College and Career Navigators

offer guidance and onboarding support to all new students. Navigators work with adult learners and in local high schools to build relationships and partnerships to support students and their plan for college.

#### 25 Academic Success Advisors

serve nearly 10,000 students, helping them chart their educational journey through more than 22,000 advising appointments.

 Expanded orientation includes more than a dozen new student convocations near the beginning of each semester, offering flexible opportunities for students to find a warm welcome at CLC. Students who participate in convocation, orientation and take a student success course increase their likelihood of continuing from their first term to second term by at least 4 percentage points compared to those who don't participate.

#### CHEERS FOR CHANGE

CLC was one of five institutions to receive a national award for its holistic approach to advising students from the Advising Success Network of the National Association of Student Personnel Administrators. The award recognizes the significant work to establish a redesigned, full-scale, systemic student onboarding, first-year experience and advising model.

### MEETING STUDENTS WHERE THEY ARE

CLC students have access to convenient, free and affordable resources to meet their basic needs and achieve academic success.

- More than 300 students in need of emergency funds were granted \$123,000+ in Lancer Emergency Assistance Funds

# **DONORS MAKE A DIFFERENCE**

The CLC Foundation is dedicated to opening doors to educational opportunities for all in Lake County. Thanks to the generosity of donors, students in need receive scholarships and emergency funds, and visionary development ventures receive funding support.

- CLC Foundation distributed \$560,000+ in student scholarships
- More than 530 students received support from Foundation donors

### PATH TO BETTER HEALTHCARE

Funded through a generous \$1.5 million grant from the state of Illinois, the Pipeline for the Advancement of the Healthcare (PATH) Workforce Program provides students with financial support to help pay for educational and living expenses. With a growing demand for healthcare workers, the state turned to community colleges to quickly get trained workers into the field.

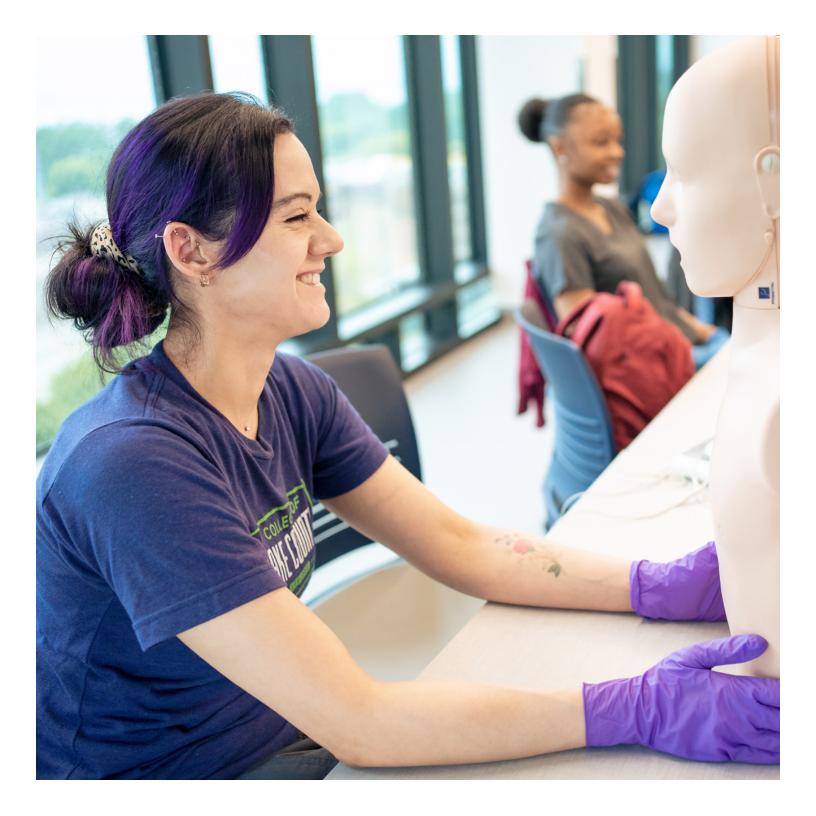

# LIVING YOUR BEST LIFE

Student co-curricular activities are a vital component of a successful college experience. Getting involved has a direct and positive impact on students' learning, development and success. CLC offers an array of student life activities, competitive athletic teams and opportunities to practice fine and applied arts.

- Students perform in dance, theatrical and music ensembles and create award-winning literary publications, artwork and ceramic designs sold to the community
