State of Illinois COVID-19 Executive Order #88 Fact Sheet for Students

What is it?
On September 3, 2021, Governor Pritzker issued COVID-19 Executive Order #88. It contains directives around mandatory face coverings and vaccination and testing requirements for higher education.

Who does it apply to?
It applies to higher education personnel and students enrolled at higher education institutions who attend on-campus or an affiliated off-campus location. It does not apply to students enrolled only in online classes.

When is it in effect?
Beginning September 19, 2021, all students enrolled on-campus or an affiliated off-campus location must submit documentation that they are fully vaccinated or be tested for COVID-19 weekly until they are fully vaccinated against COVID-19. Students who are not fully vaccinated and who do not certify they have been tested for COVID-19 by the weekly deadline will not be able to access campus for the upcoming week.

A person is fully vaccinated against COVID-19 two weeks after receiving the second dose in a two-dose series of a COVID-19 vaccine authorized for emergency use, licensed, or otherwise approved by the FDA, or two weeks after receiving a single-dose COVID-19 vaccine authorized for emergency use, licensed, or otherwise approved by the FDA.

Where does it apply?
It applies to the College of Lake County, Grayslake, Vernon Hills and Waukegan campuses, and any affiliated off-campus location where CLC classes are offered.

Please note: Extended interactions in-person on campus for students who are not vaccinated or who do not submit their weekly testing certification will not be allowed and students will be referred to alternate options such as virtual appointments or assistance by phone/email.

Why has it been enacted?
To protect the health and safety of Illinoisans by mitigating the spread of the COVID-19 virus and to increase the number of vaccinated individuals.

How do I comply?

<table>
<thead>
<tr>
<th>If you are fully vaccinated against COVID-19...</th>
<th>Submit your proof of vaccination online as soon as possible at <a href="http://www.ccllinois.edu/vax1">www.ccllinois.edu/vax1</a></th>
</tr>
</thead>
<tbody>
<tr>
<td>If you are in the process of being fully vaccinated...</td>
<td>Continue to submit your weekly testing confirmation at <a href="http://www.ccllinois.edu/weeklytest">www.ccllinois.edu/weeklytest</a> until you are fully vaccinated. Then, submit your proof of vaccination online at <a href="http://www.ccllinois.edu/vax1">www.ccllinois.edu/vax1</a></td>
</tr>
<tr>
<td>If you would like to get vaccinated...</td>
<td>Visit one of our free, drop-in vaccination events or get vaccinated in your community <a href="http://www.ccllinois.edu/covid19">www.ccllinois.edu/covid19</a> Continue to submit your weekly testing confirmation at <a href="http://www.ccllinois.edu/weeklytest">www.ccllinois.edu/weeklytest</a> until you are fully vaccinated. Then, submit your proof of vaccination online at <a href="http://www.ccllinois.edu/vax1">www.ccllinois.edu/vax1</a></td>
</tr>
</tbody>
</table>

Students who submit proof of vaccination by May 13, 2022 will receive a $100 vaccine incentive. More information about this incentive is available at www.ccllinois.edu/covid19

| If you cannot or do not want to get vaccinated... | Continue to submit your weekly testing confirmation at www.ccllinois.edu/weeklytest through the end of your class. This requirement will stay in place until the Governor announces changes to his executive order. Continue to monitor the COVID-19 website www.ccllinois.edu/covid19 for updated information. |

Free COVID-19 Testing is available at the Grayslake Main Campus (Room C106), at the Lake County Health Department in Waukegan, and at Northshore Immediate Care in Gurnee. Times, locations and further information is available at www.ccllinois.edu/shield
